About NYSPHA

The New York State Public Health Association (NYSPHA) is an affiliate of the American Public Health Association and serves as a statewide organization for members from all disciplines in the public health spectrum including state and county health departments, healthcare; policy and advocacy organizations; community-based health and human service programs and workers; academia and research. NYSPHA advocates for policies at the national, state and regional levels that support equity in health status and an end to health disparities for all.

NYSPHA's mission is to promote and protect the public’s health through professional development, networking, advocacy and education. To learn more visit www.nyspha.org.

About NYSACHO

The New York State Association of County Health Officials (NYSACHO) supports, advocates for, and empowers local health departments in their work to promote health and wellness and prevent disease, disability and injury throughout New York State. To learn more visit: www.nysacho.org

About NYSARH

The New York State Association for Rural Health is a not-for-profit, non-partisan, grassroots membership organization working to preserve and improve health and human services in rural New York State. NYSARH is a member of the National Rural Health Association. To learn more visit: www.nysarh.org
About the Public Health Partnership Conference

We invite you to join us for a leading-edge public health conference being held in person this year at the Sonesta White Plains, in Westchester County, NY, and with a virtual component for those who are unable to travel. This is our largest event of the year attracting hundreds of attendees from all parts of New York State and beyond.

This collaborative conference will offer scientific sessions in a variety of formats including large plenary sessions and smaller concurrent sessions. Sessions will focus on issues and topics relevant to this year’s theme of Healthy Communities NY: Creating a Climate for Thriving.

The conference is tailored to public health educators, academic staff, county health officials and employees, students, medical and dental practitioners, state health employees and others in the field of public health, education and medical care.

We welcome all individuals, public servants, and organizations who share a common interest of promoting and protecting the public’s health.

The Public Health Partnership Conference is using Whova for sponsors, exhibitors and conference participants.

This platform provides exceptional sponsor and exhibitor opportunities to engage with both in-person and virtual conference attendees.

All sponsors, exhibitors and poster presenters need to set up their sites in Whova prior to April 21, 2023. Sponsors who set up their sites early will gain additional impressions as registrants join the site.

We expect a significant number of Virtual attendees who will depend on your documents, recordings and chats in Whova as their only awareness of your interest in public health.

Please take advantage of the engagement opportunities that Whova provides.
